

# July 2018

## Armstrong Air & Space Museum Education Newsletter

### Summer Moon Festival July 21-22

Join us to celebrate the 49th anniversary of the Apollo 11 moon landing!

Participate in the Run to the Moon races, meet astronauts Don Thomas and Robert Springer, get pictures with Star Wars characters, see a Boonshoft animal show and rocket launches by the Wright Stuff Rocketeers, and much more!

Find a complete weekend schedule at [armstrongmuseum.org/Armstrong\\_events](http://armstrongmuseum.org/Armstrong_events) or on Facebook!

### 2019 Programs

Stay tuned for the release of our outreach programming information for kids of all ages—newly designed for the next school year and Summer Reading Library Programs!

### Engineer Camp August 6-10

The museum is still accepting applications for Engineer Camp for 4th-8th graders! Campers get to study robotics, complete a NASA engineer design challenge, build rockets, and visit with a high school robotics team!

### Find us at your local library!

The museum's educators are visiting libraries all over Ohio now through August! Be sure to look out for us at your local library to experience the "Libraries Rock!"-themed programs with an emphasis on sound and space.

### Upcoming Events

The museum is hosting a Festival of Flight August 25-26! Join us to see drones, kites in flight, and other flight-themed activities!
