

RECOGNITION NOMINATION

The Wapakoneta City Schools recognizes that we have many people/organizations in our community that care and support our efforts to make our students' experiences at WCS positive and productive, while providing our young people with experiences that will develop them in their growth now and throughout life. These people give their time and talents to help the district, teachers, or kids in many different ways. Recognizing that we are only as good as the community in which we live, we have developed this recognition program for people and organizations that help the district and our students. As a way to simply say thank you to people or organizations who donate time, talent, and resources to our students, we have instituted this "Thank You" recognition. This award will be presented to people/organizations at a Board of Education meeting.

To nominate a person or organization for this recognition, please complete this form and return it to Patty Severt, Administrative Assistant at the Wapakoneta City Schools' Board of Education Office at 1102 Gardenia Drive, Wapakoneta, OH 45895.
