

Student Pick-up Plan!

Please follow this plan in order to pick up your child after school...

1. ALWAYS have your pink bar code label. (You just received 2)
If you need more, please let the office or Mr. Wolke know how many. We want to keep this number small for safety reasons.
2. Show this tag to the outside monitor to scan when you are approached.
3. Your child's name will be displayed on the iPads in two locations.
4. Your child will then be able to be released safely and securely to you.

If the parent will not be the individual picking up the child, it is the parent's responsibility to get this card to the person picking up the child. NO CARD= NOT ABLE TO PICK-UP THE STUDENT unless the office is notified prior. I will ask anyone without this card to drive to the main office where we will contact the parent to make sure the person picking up the child is legit. I realize that this is new and will take some time to get used to, but your child's safety is my top priority and I intend on keeping them safe.
