Sports Physicals for 2017/2018

TO THE PARENTS/GUARDIANS OF MIDDLE SCHOOL/HIGH SCHOOL POTENTIAL ATHLETES

On May 1, 2017 and May 8, 2017 (5:30-7:30 pm), the Orthopedic Institute of Ohio will be offering free sports physicals for our students. Please note that if your son/daughter wishes to participate in athletics for Wapakoneta City Schools (Grades 7-12) they **MUST** have a physical on file with the school prior to participating in any athletic activity sponsored by the school. In accordance with the Ohio High School Athletic Association, each student must have a physical EVERY year in order to participate in athletics, and this will be the only opportunity our students will be offered physicals.

Again this year: All athletic forms will be completed on-line using the Privit system. There will be no paper forms available to write on and all forms must be completed online. Please see below for instructions to complete all forms. This will include filling out the introductory portion of the physical, **all athletes will have to print out the physical form created in the Privit system to take to the physical for the doctor signature.**

Any student not getting their physical during this time, must make arrangements on their own to have a physical completed prior to taking part in any practice and/or tryout. Students will not be permitted to try-out without all paperwork completed online and doctor signed physical is on file in the athletic office.

If you have any questions or concerns, please contact the athletic office.

Sincerely,

Bradley R. Rex
Athletic Director
