Thanksgiving Wish: As Thanksgiving approaches, the staff at Wapakoneta Elementary School would like to thank all of you for your assistance as we work together to educate our students. I would also like to thank the entire Wapakoneta Elementary School staff for everything they have done to make this school such a wonderful and safe place to learn. We want to thank our teachers who educate, our paraeducators who assist, our secretaries who take care of so much, our nurse who cares for our students, our custodial staff that keeps our school clean, our cafeteria staff that nourishes us with great meals, our bus drivers who transport the children to and from school safely, our Superintendent for his support, and our PTO for their dedication in striving for the best for our students. Please take a moment with your child to reflect upon the positive experiences they have at Wapakoneta Elementary School and express your gratitude by extending a "Thank You" to at least one of these individuals.

Masks: Thank you for continuing to send your children to school with masks. We do want to encourage our families to keep an extra mask in their children's backpacks in case they were to forget one in the morning. We truly appreciate everything that our families are doing to keep our students and our staff safe!

Winter Apparel: Now that the weather is getting colder, we would encourage families to make sure their children are bringing warm coats, hats, and gloves to school. This way, the students will stay warm when we have outdoor recess.
